

Forgive Me

© 2008 Words & Music by Dan Rub

Won't beg, don't borrow, don't steal, I care
I want, I need, see, you there
I looked, I tired, apologized
I'm gone, back home, forgive this soul
I live, I hope, I learn, to cope
Sing, I play, I give, away
My heart, my time, to make, the rhyme
For you, my girl, my dream, my world

To give, your heart, to me
Is much, too soon, I see
To have, your smile, today
Everything's OK
I hurt, I plead, I cry, I bleed
I give, I love, trust God, above
I work, I wait, hesitate
To count, the time, when you'll be mine

(Repeat Chorus, Verse One & End)

Please forgive me
