

Someway

I think I've lost my way
So could you lead me home
I'm so afraid, because I'm so alone
Such a long road I face
There've been so many tears
I need my faith, I need to lose my fears
Someway I think I know you,
Somehow I feel you there
Enlighten me, and teach me,
How to care

I think about the world, I cry
For what I see
All of the needless death, starvation,
War, and greed

When is enough enough,
I pray it's not too late
The going may be tough,
We can control our fate

I know we can't find love
Until we lose the hate
It's going to get so dark
If we let the light escape
It shouldn't be so bad
When it can be so good
Why are so many sad,
It's time we understood

I think we've lost our way
So could you lead us home,
We're so afraid, because we're
so alone
Someway, I think we know you,
Somehow we feel you there
Enlighten us, and teach us, how to care
Enlighten us, and teach us, how to care
Someway
