

You're So Divine

© 2008 Words & Music by Dan Rub

I saw you just the other day
And then again last night
I couldn't find the words to say
I couldn't look in your eyes

I've gotta reach you, Baby
I gotta meet you tonight
There's just something about you
You're so Divine

It's true I don't know what to say
And that I get tongue tied
I try so hard to find the way
I just can't get it right

I really need to make you see
You're paralyzing me
I've loved you since I saw you
You're the one I need
I've rehearsed it in my mind
About a thousand times
And now I'm goin' crazy

You're so divine

(Repeat Verse One, Bridge & End)

Don't you know that you're so divine

You're so divine
